

Interested in belonging to First Baptist?

When you're ready to make a decision about membership, there are two things you need to do:

- come forward during the last song in the service. The Pastor will be there to welcome you, then he will introduce you to the congregation.
- attend Discovery Class. Attendance at Discovery Class is a requirement for membership. Discovery Class is a one-session two-hour class offered once a month and led by the Pastor (for youth and adults) and Minister to Children (for school-age children). You may attend after deciding to join and coming forward, or before as part of your decision-making process.

Listed below are the different ways we receive new members. Any of our deacons or ministers can explain them more fully.

- **By Profession of Faith and Baptism.** If you will receive Jesus Christ as your personal Savior and Lord and follow Him in baptism by immersion, "believer's baptism," we will joyfully receive you into our family.
- **By Letter.** If you have already accepted Jesus Christ as your personal Savior and Lord and have experienced believer's baptism in another church, we joyfully receive you into our family. We will gladly take care of the details of transferring your membership.
- **By Baptism from Another Denomination.** If you know that you are saved and have been a member of a church in another denomination, but have not experienced believer's baptism, we invite you to join our family by baptism. This gives testimony of your salvation and obedience to Christ's example.
- **By Statement.** If you have accepted Jesus Christ as your personal Savior and Lord, have experienced believer's baptism, and are a member of another church, but your church membership records are not available, we joyfully receive you into our family upon your statement of your salvation.

Just Do It

Ken Smith, Guest Speaker

February 5, 2012

10:45 A.M.

We're glad you're here!

Whether you've been here hundreds of times, or, this is your first time—whether you've been involved in church your whole life, or, you can't remember the last time you were in a church service—know that your presence is valued and you are welcome here.

What you can expect

We plan our services to be relevant, enjoyable and helpful. There will be a meaningful time for prayer; we'll sing contemporary songs as well as some of the great hymns of the past; and, we'll sometimes use drama and media to communicate the timeless truths of God. And there will be a message from the Bible about how we can live better lives.

This is a place of safety and acceptance. It is a place of truth and grace. Today, you can experience each of these as we worship.

Churches are like people. They have personalities. Your search for a church home is really a search for a church that has a personality similar to your own, because that's where you'll serve the Lord with the greatest effectiveness.

We're a multi-generational church providing ministry to people all across the age spectrum. We're in love with the Savior and in love with our community.

We're a community of faith making meaningful connections with new friends through spirit-filled worship, small group Bible study and service to our community.

So, whatever your circumstances—single, married, single again, with or without children—no matter where you've been or what you've done—you matter to God. And to us. We want to help you take the next step toward God.

We're glad you're here!
Steve Kimmel
